Note: Please consult with your parents before signing up for classes. Parent approval/signatures are required before registration will be complete.

1. To begin registering for courses, go to the site: <https://form.jotform.com/tgiesbers/fbhs> and complete the personal information at the top of the page.
2. Freshmen are required to take 4 specific core courses and 1 specific elective (Computer). These are pre-selected on the registration site.
3. You may choose your Math course based on what you completed last year. If you need help selecting a Math course, contact Mr. Giesbers (timothy.giesbers@faithkids.org).
4. Select your top 4 choices for Electives from the list. We will make every effort to honor your top request but that is not always possible.
5. Consider and plan for how you will satisfy your P.E. credit.
6. Select any areas of student life in which you're interested. Your contact info will be forwarded to the person responsible.
