

JUNIOR Course Registration Form 2019-20

Steps to Register for Next Year's Courses:

Note: Please consult with your parents before signing up for classes. Parent approval/signatures are required before registration will be complete.

1. To begin registering for courses, go to the site: <https://form.jotform.com/tgiesbers/fbhs> and complete the personal information at the top of the page.
2. Choose your American Literature and U.S. History courses (regular and/or advanced).
3. Select your top 3 choices for Bible in order of most preferred. We will make every effort to honor your top request but that is not always possible.
4. You may choose your Math course based on what you completed last year. If you need help selecting a Math course, speak with your current Math teacher for advice.
5. You may choose your Science course from the listed offerings.
6. Choose your Second Language to either start or complete the 2 year requirement (*2 years of the same language are required for graduation*).
7. Select your top 4 choices for Electives from the list. We will make every effort to honor your top requests but that is not always possible.
8. Consider and plan for how you will satisfy your P.E. credit if you have not yet completed it.
9. Select any areas of student life in which you're interested. Your contact info will be forwarded to the person responsible.
10. Leave any specific comments or instructions. *Examples:* you are a part-time student; you are transferring in and already completed a course required for your grade; you want to take an on-line course not offered at Faith, etc. ***Note that all on-line classes must be approved by an administrator before enrolling in it.***
11. Submit the on-line registration form.
12. The school will print a copy of your schedule and send it home with you to get a parent/guardian signature. You will also need instructor approval for any Honors/AP courses.
13. Return the signed form to the office. Congrats, you're done registering for classes.
14. If we have any questions we'll call to get your input.
15. If you need to make changes to your course registration after submitting it, please contact Mr. Giesbers (timothy.giesbers@faithkids.org).
